

Wilson White Company Lease Agreement

This is a plain English lease. This lease has been written, without the usual legal jargon, to make it more readable and understandable. English, being the imprecise language that it is, may allow for several interpretations. The interpretation for this contract shall be the common or average interpretation one would expect of a lease agreement. The basic agreement of this lease is that the Landlord agrees to provide an apartment and make any repairs that are needed in timely fashion and to maintain the apartment as the reasonable place to live, and the Tenants agree to pay the Landlord rent for use of the apartment in a likewise timely fashion.

1. PARTIES TO THE LEASE: This is a Lease Agreement by and between Wilson White Company, Inc., Agent (“the Landlord”), whose address is 2008 S. State Street, Ann Arbor, MI 48104 and whose telephone number is (734)995-0600, and Lessee (“the Resident”) as set forth on Scheduled A which is hereby made a part of and incorporated into this Lease.
2. DESCRIPTION OF PREMISES AND TERM: The Landlord agrees to rent to the Resident the premises located at (see schedule A) for the period beginning at 12:00 p.m. (noon) on the start date and ending at 12:00 p.m. (noon) on the end date as set forth in schedule A.
3. RENTAL RATE: The Resident agrees to pay the Landlord or his designated agent in equal monthly installments as set forth in schedule A due on the first day of the month beginning with the second month (first month collected before move-in). A total rent has been established for the lease term, which in many instances will be less than 365 days. The total rent is then divided by the number of months in the lease term to arrive at equal monthly payments. Therefore, there will be no pro-rated amounts due at the beginning or end of the Lease terms. **Rent is due and payable in one (1) check only on the first day of each month. DO NOT SEND CASH.**
4. OCCUPANCY: Only the Resident (defined as individual(s) name on the schedule A) is allowed to live in this residence. Any changes to the composition of the Resident(s), either by number or by person, must be agreed to in writing, on this or a subsequent document, by the current Resident(s) and the Landlord. The rental rate listed on Schedule A only applied to Resident(s) name on the same. Any changes in this list may change the rental rate listed on schedule A.
5. LATE FEE: Rent payments are due, in advance or, on the first day of each and every month and are considered delinquent if not received by the Landlord on the 2nd day of the month. There shall be a late fee of 5% of monthly rent if the full rental payment, including any additional rent as defined herein, is not received in the Landlord’s office by the fifth (5th) day of the month. There shall be a Thirty-five Dollar (\$35) charge for each check returned “non-sufficient funds” or otherwise uncollected. After three (3) NSF checks or otherwise uncollected checks, Landlord shall have the right to require payment by cashier’s check or money order. Late fees, returned check charges, legal fees and court costs as allowed by law, repair charges, lock-out charges, unpaid utility bills, costs for re-scheduling the dumping of trash containers when illegally blocked are all defined as additional rent. Additional rent charges may be deducted from the Damage and Security Deposit at the end of the lease term or any extension thereof. In the event Resident(s)’ rent payment is late on three (3) or more occasions during the term of this lease term or during any consecutive twelve (12) month period of time, Landlord shall have the right to terminate this lease upon fifteen (15) days written notice and recover such damaged as allowed by law.
6. APPLICATION OF PAYMENTS: All monies paid to the Landlord by the resident(s), or on behalf of the Resident(s), shall be applied to the Resident(s) account as follows: first to outstanding fees, charges, utilities, legal and/or court costs, then to rent.
7. UTILITIES: The Landlord and the Resident agree that the responsibility for making all of the arrangements necessary to furnish the utilities, including having billing in his, her or their name, shall be assigned as set forth in Schedule A. The Landlord shall have no obligation to provide utilities that are the responsibility of Resident as previously defined. In apartments where the Resident provides heat, the premises must be kept sufficiently heated at all times during the Lease to avoid damage to the premises and the Resident may not have the heat terminated for any reason. The Resident agrees that Landlord shall not be held responsible for any interruptions in utilities services beyond the Landlord’s control or due to necessary repairs, replacements or alterations. The Landlord has sole right to designate Resident’s utilities providers. **Failure to place utility bills in the Resident’s name will result in a \$50.00 administrative fee per utility bill invoice.** Resident may not install a portable dishwasher, washer, dryer or air conditioner without the Landlord’s written permission. If Resident installs any of the above items in violation of this clause, Landlord may bill Resident for any increase in utility bills or other damages which Landlord, in his sole discretion, attributes to the violation.

However, each Resident(s) listed on schedule A must agree whether or not they will use these machines and must sign a laundry addendum if they decide not use these machines.
